

Certified Child Resistant Pouches

Ready to Ship or Custom Print Available

PharmaLoc Zipper

Pouches with a special tab that requires two handed dexterity to open the package. It's easy for adults to open, but extremely difficult for children to do so. Great for all sorts of products, from cleaning "pods" to medical marijuana, and commonly used as exit bags. Perfect for packaging vials & bottles.

As Low As: \$0.67/bag

- PN: ZCR122509B - 12.25" x 9" x 4" Black
- PN: ZCR122509W - 12.25" x 9" x 4" White

Child-Guard/Push-Pin Zipper

The proven industry standard, used by Tide® for detergent pods. The sliding zipper has a pin that must be inserted to "unlock" contents. This simple but effective zipper can be applied to a wide range of sizes to serve many markets.

As Low As: \$0.58/bag

- PN: ZPCR08506BL293C - 8.5" x 6" - Royal Blue
- PN: ZPCR08506W - 8.5" x 6" White

Thumb-Pocket Zipper

This ready-to-label pouch has a thumb tab zipper that is easy for adults to open, but nearly impossible for children. No bulky closures or pull-tabs required; just a sophisticated press-to-close zipper that keeps kids out. Great for edibles.

As Low As: \$0.34/bag

- PN: ZCR0404125TE - 4.5" x 4.125" - White (Fill Through Bottom)
- PN: ZCR0550675TE - 5.5" x 6.75" - White (Fill Through Bottom)
- PN: ZCR0550675OZE - 5.5" x 6.75" - White (Fill Past Zipper)

Single Dose

A small pouch for single-dose products and small items. A micro perforation near the corner helps adults tear the package open. Excellent scent and moisture protection.

As Low As: \$0.05/bag

- PN: CR03250325TS - 3.5" x 3.5" - Silver
- PN: CRW03250325TS - 3.5" x 3.5" White

All Bags are FDA Approved Opaque Food Grade Material
